## Antioch Village Board to negotiate for cable tv

It looks like the residents of Antioch are about to have cable tv coming into their homes if they so choose.

The most important move made by the Antioch Village Board at Monday's regular meeting was to approve a motion to authorize the board to negotiate a franchise agreement with US Cable TV.

According to Mayor Michael Haley, "After careful consideration of the benefits offered by the different cable television companies bidding for Antioch's business, US Cable was chosen mainly because their basic service is cheaper, a fact which we felt was in the best interest of the community."

Under negotiation will be such things as how many hours of local broadcasting will be scheduled.

There will also be discussion on the broadcasting of important village events such as Maxwell St. Days or the Lion's Club Bar-B-Que, high school sporting activities, high school plays etc.

US Cable is the first 52 channel turnkey system and the Antioch franchise will be operated by US Cable of Lake County and managed by US Cable Corporation.

This company is the largest cable company whose ownership is comprised significantly of county residents.

According to US Cable, if the franchise is awarded to them, this move will be seen as a major step which is expected to prove beneficial to the economy of Antioch and its residents.

Other business transacted at the board meeting included the approval of motions to hire one full time dispatcher to replace the one that is leaving, and one part time dispatcher.

Hired on a regular basis will be Kelly Glassman and Elizabeth Patricia Mehlhorn will be employed as a part time dispatcher.

After a short recess to discuss bids on signs for the new Public Safety Building, the board unanimously accepted the low bid of the Northshore Sign Company of \$993 to install cast aluminum signs on the front and the back of the building.

The board adjourned after tabling the consideration of the bids on village vehicles until Walter Shepard returns from vacation. The bids will be considered at the next board meeting on August 18.

ANNUAL STAFF AT WHITEWATER — Students from Antioch High School's yearbook and photography staff attended the 1980 journalism workshop at Whitewater University from July 20-25, rear, from left, Pete Jung, Dan Larsen, Darryl Sanke, front, from left, Kurt Portwich, Jan Okrzesik and Ann Sertic.

## Lightning nearly strikes village board members

by GLORIA DAVIS

The events that occurred after the regular meeting of the Antioch Village Board on Monday evening may have proved more exciting than anything that happened at the meeting itself.

It seems that two of Lakeland Publisher's finest went across the street after the meeting for a little refreshment at the Village Pub, an idea also shared by some of the members of the board.

A few minutes after the storm hit, there was a loud crack at the rear of the building and Mayor Haley was heard to remark that

he thought something close by had been hit.

Oh the wisdom of politicians, he was right as we soon discovered when the fire engines began screaming down the alley in back of us.

Smoke billowed from the Antioch Supply Co. as Antioch's firefighters entered the building, taking command of the situation.

According to Chief Investigator Wayne Parthun, who was one of the members of the fire department at the scene, lightning had struck in the roof area and traveled through the electrical system of the supply company.

No report as to the extent of the damage was available at press time.

## Along the way with ANNIE MAE

Now that the annual Lion's Club Bar-B-Que is over, there's just Moonlight Madness and before you know it the old school bell will be clanging and the fall leaves will be crunching underfoot.

It looks like the fall semester will bring at least three new teachers to the Channel Lake School's classrooms.

Mrs. Ann Hughey-Wharmby comes to Antioch from New Jersey to teach remedial reading, Linda Sue Buddenbaum comes from Illinois State University and Linda Schotka, the new band teacher, hails from Nebraska.

I see where Kim Subry who is already a senior, majoring in business administration at Arizona State University, was named to the Dean's List.

Guess who I saw the other day! Mrs. Hamett Greive, who is now a resident of Moosehaven, in Orange, Florida was visiting Antioch friends.

A going away party was held in her honor at the Moose Lodge on Monday night.

A neighbor, Sue Dost, has asked Annie Mae to wish Clay Soby a happy birthday.

There will be a surprise party for him at 1 p.m. on Wednesday, August 6, when his eighth birthday will be celebrated.

Saw Al Bucar dressed nautically at the chicken barbecue. Since he was almost obscured by the barbecuing smoke, I asked him why he seemed so drawn to smokey places lately.

Dan Dugenske and Jack Fields were kept busy with the auction merchandise at what has been reported to be the biggest and best Lions Bar-B-que yet, both attendance and profit wise.

It's people like Walt Koziol who donated a 67 caddy that brought \$1250 at the auction and then turned the \$1000 prize money he won back over to the club, that help make this event the great success it always is.

## 2 Women killed in crash

A car driven by William Bate, 59, Silver Lake, crashed head-on into another car driven by his wife, Gertrude E. Bate, 64, Silver Lake, on Hwy. AH, near the Camp Lake Airport, at 8:45 p.m. on Tuesday, July 29.

According to Kenosha County Sheriff Gerald Sonquist, the Chevrolet Impala driven by Bate, was west-bound on Hwy. AH, when it crossed the center line and crashed into the other vehicle, which was east-bound.

Gertrude Bate and her sister, Annie Carton, 52, of Trevor, her passenger, were pronounced dead at the scene of the accident after being extracted from the vehicle by the Silver Lake Rescue Squad with the use of the Hurst Tool.

Bate was transported to Kenosha Memorial Hospital by the rescue squad where he was in immediate serious condition.

According to Sonquist, the sheriff's department was proceeding with "deep investigation into the matter because of a continual history of family problems between Bate and his wife on file."

Gertrude Bate had been living with her sister Annie Carton since she and her husband had separated.

At press time Bate's condition had stabilized and he was on the way to recovery after having had a leg operation.

"He still says he doesn't remember anything," says Sonquist, "But we are preparing charges for the District attorney's office of homicide by the intoxicated use of a motor vehicle."

Gertrude Bates, who was born in Johnson City, Illinois, moved to Silver Lake three years ago.

She was a member of the Antioch Lodge 735 of the Women of the Moose and had been employed by Beauty-Vue Products, Bristol.

Survivors include her husband William, two sons, Richard Cacioppo, Mt. Prospect, and Paul Schlimmer, Chicago, one daughter, Velrah Lowitzki, Chicago, I sister, Velrah Patterson, Camp Lake, one brother, Eugene Fox, St. Louis, Mo. and three grandchildren.

She was preceeded in death by one daughter, Shiela.

Funeral services and interment were private. Those desiring may make a contribution to the Silver Lake Rescue Squad or the Cancer Society in her memory.

Annie Carton was born in Ireland and lived in western Kenosha County for years.

She was a member of Holy Name Church at Wilmot, a former member of the Salem Twp. Rescue Squad Auxiliary, and the Salem PTA.

She was formerly employed as a reporter for the BiState newspaper.

Survivors include one son Remi, Trevor, three brothers and two sisters. She was preceeded in death by her husband Reni J. Carton on August 26, 1977.

The funeral Mass was said at Holy Name Church, Wilmot with interment at the church cemetery.

Friends who wish to do so may make contributions to the Salem Rescue Squad in her memory.

I just love the fact that Chris Quinn, the Rotarians exchange student to Brazil is going to be Larry Lujack's "Animal Stories" foreign correspondent.

Speaking of exchange students, local host families are still needed for the Youth for Understanding international exchange students due to arrive in the area later this summer. Anyone interested should contact Youth for Understanding by calling 312-832-2177 collect.

Congratulations to Clinton and Robert Glover of Windsor

Dr. who have both received one year scholarships from the Clara Abbot Foundation. Both will be students at the University of Illinois, Champaign-Urbana.

Still in the scholastic vein, heard from Father Gregory Klein out at Carmel High School, who tells me along with 17 other May graduates, Mark Telinski has qualified for college credit as a result of test scores received in the College Entrance Examination Board's Advanced Placement Exams, taken in May.

**QUESTION:** What do you think of the Reagan-Bush presidential ticket initiated at the recent Republican convention?

**BARBARA SHERMAN, Channel Lake,** "To tell you the truth, I can't make up my mind about any of them. I think that Bush had to make a lot of concessions in his ideas to get on Reagan's ticket."

**ROBIN LINDBLAD, 42310 N. Virgil Ave.,** "I would have liked it better if Ford were on the ticket, I think he was a good president, but I'll probably go along with it."

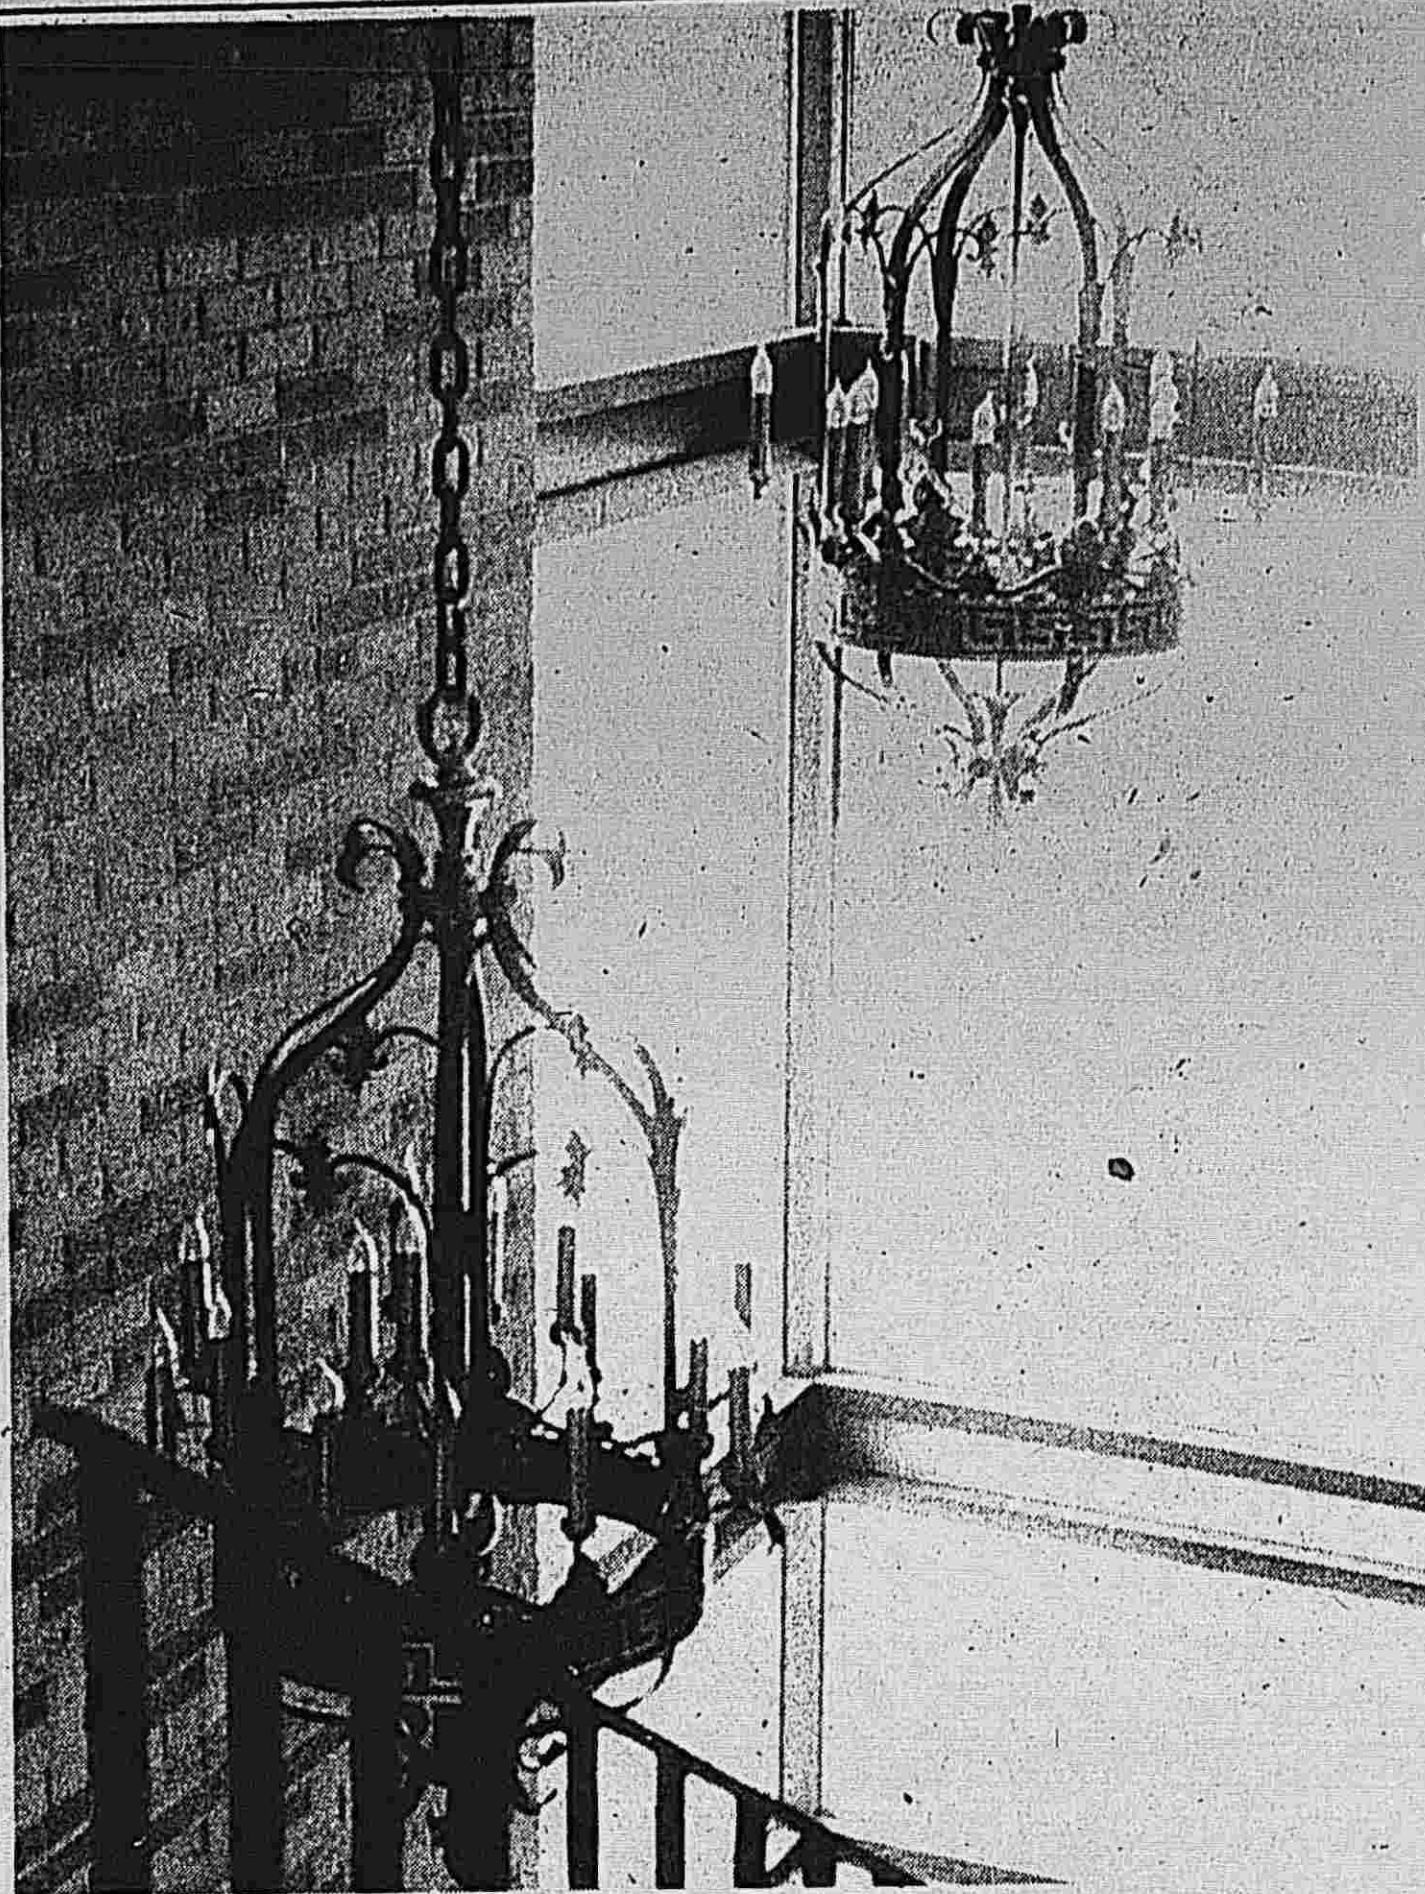

**BILL STANLEY, Antioch Township,** "It's the only way one so far that I can see would be any good, I like them both."

**KEN LUPTAK, Channel Lake,** "I don't care for it. I don't think Bush is the right man. I would rather have seen Ford."

SOMETHING NEW

SOMETHING OLD

## Old chandeliers sparking new bank atmosphere

The State Bank of Antioch evidently believes in the adage of "something old and something new," when it comes to the decor of their new bank addition.

The spanking new surroundings of the well-known financial institution have been sparked up with the hanging of two refurbished chandeliers from the cathedral ceiling of the hallway leading to the new second floor offices.

**THE LARGE,** beautiful brass fixtures originally hung in the bank when it was located on the northwest corner of the in-

tersection of Lake and Main Streets, back in 1926, and at the present time are one half of a century old.

The fixtures had been stored in a barn until architect Dan Beck got the idea of making use of these attractive bank heirlooms.

**THE LIGHTS** had been painted black and gold and Beck had them completely stripped and polished.

These two light fixtures (they were originally a matched trio) are so brass laden that it takes two men to lift each of them.

# Weddings

MR. AND MRS. TIMOTHY OSMOND

Jo Ann DeRue Cassidy, daughter of Herbert and Dorothy DeRue of Lake Villa, and Timothy H. Osmond of Antioch, son of the late Bernard and Gen Osmond, exchanged wedding vows in a double-ring candlelight Mass on June 28. Rev. James Merold officiated at the ceremony at Prince of Peace Church in Lake Villa.

The date was the same as the wedding date of the groom's parents in 1947.

Mrs. John (Rita) McCabe, the bride's sister, from Palm Springs, Calif. served as maid of honor. Bridesmaids were Mrs. David (Linda) DeRue, the bride's sister-in-law, of Lake Villa, Ms. Deborah Mondrowski, the bride's friend of Antioch, and Miss Colleen Erin Cassidy, the bride's daughter of Lake Villa.

Edward Kelley, a fraternity brother of the groom from Naperville, attended as best man. Groomsmen were Robert Osmond, the groom's brother, from Fairfield; Alan Osterlund, a friend of the groom from Albion, Ind.; and Chris Parker, the groom's cousin from Antioch.

Ushers were James Litchfield, a fraternity brother from Antioch; Jeffrey Packey, a friend from Antioch; and Dennis Franklin, a fraternity brother of the groom. Altar boys were James DeRue, the bride's brother, from Antioch and James Asma, the groom's cousin from Waukegan.

Following the reception held at the Renwood Country Club, the newlyweds took a honeymoon trip to San Francisco, Calif. They will reside in Antioch.

The bride is a graduate of Holy Child High School and is employed as director of the Lake County Bar Assn. The groom, a graduate of Antioch High School, holds a bachelor of arts degree from Western Illinois Univ. He is treasurer of the Antioch Rescue Squad, treasurer of the Antioch Lions, and president of Theta Chi fraternity in Macomb. He is the owner of Osmond Insurance in Antioch.

MR. AND MRS. BRIAN R. BUEHLMAN

Susan P. Stanley, Waukegan, daughter of Mr. and Mrs. William Stanley, Antioch, became the bride of Brian R. Buehlman, son of Mr. and Mrs. Robert Buehlman, Libertyville, on June 28 at St. Peter Catholic Church in Antioch.

The wedding ceremony was performed by Fr. James Ray of St. Anastasia, Waukegan, and Rev. Raymond Coombs of Faith Community Church, Libertyville.

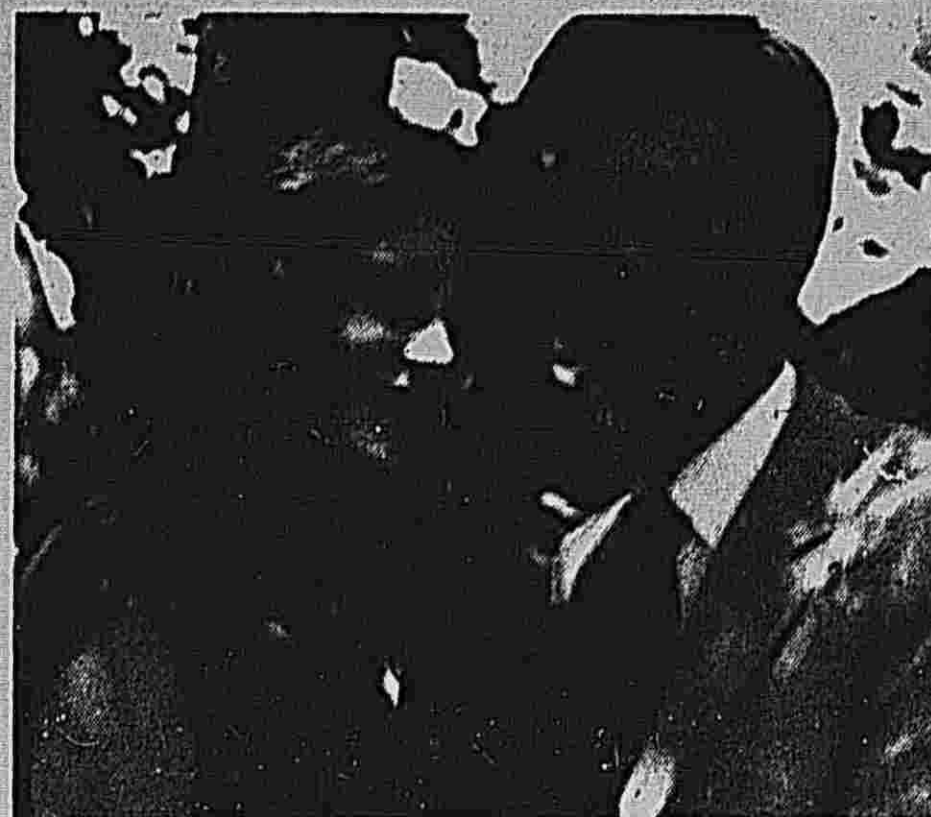

The bride was attired in a nylon organza gown trimmed with Aloncon lace, reembroidered with seed pearls. The gown featured a stand-up collar, bishop sleeves, and a cathedral length train edged in Vienna lace. Her cathedral length veil was edged in Aloncon lace with a Juliet cap embroidered in seed pearls.

In attendance as maid of honor was the bride's sister, Kathy Stanley of Antioch. Serving as bridesmaids were Dawn Buehlman, the groom's sister, Carolyn Stanley, the bride's sister, Pat Armitage and Sue Bennett.

As his brother's best man was Bruce Buehlman of Mundelein. Groomsmen were Bill Stanley, the bride's brother, Dave Mitchell, Scott Armitage, and Jim Stanley, the bride's brother. Ushers were Ric Olson and Brian Dasher.

The reception began with a cocktail party at the Stanley home on Bluff Lake in Antioch followed by dinner at Harbor Ridge Country Club in Antioch. The newlyweds travelled to Marriott's Tan-Tar-A Resort at Lake of the Ozarks, Mo., for their honeymoon. They now reside in Waukegan.

The bride, affiliated with College of Lake County, Grayslake, and Northern Illinois University, DeKalb, is a member of Alpha Omicron Pi sorority and Phi Kappa Phi, honorary fraternity. She is employed by A & P in Antioch. The groom, of College of Lake County, Grayslake, and Trinity College, Deerfield, is sales manager for Electrolux Corp. in Villa Park.

BOQUIST-LINDSEY

Mr. and Mrs. John Boquist of Round Lake Park announce the engagement of their daughter, Patricia Boquist to Michael Lindsey, son of Mr. and Mrs. Edward Lindsey of Antioch.

The wedding is planned for August 23 at St. Joseph's Church in Round to be performed by Fr. Murphy, a friend of the groom from Arlington Heights.

The bride-to-be is a 1978 graduate of Carmel High School and a 1980 graduate of College of Lake County with a associate of science degree in accounting. She is employed as an accounting clerk for Baxter Travenol Lab, Inc. in Deerfield.

The groom-to-be is a 1976 graduate of St. Viator's High School and will receive his bachelor of science degree in mechanical engineering from Purdue University in 1981. He is employed as a engineer co-op for Union Special Corp in Chicago.

The couple plans to relocate in West Lafayette, Ind., near Purdue University.

## Engagement

MR. AND MRS. GEORGE J. GIALDS, JR.

A. F. Siebert Chapel at Carthage College in Kenosha was the setting for the June 7 wedding of Joleen A. Lindstrom of Chicago and George J. Gialds, Jr. of Antioch.

The bride is the daughter of Mr. and Mrs. John Lindstrom of Wildwood. The groom's parents are Mr. and Mrs. George J. Gialds, Sr. of Antioch.

Officiating at the morning double ring ceremony was Rev. Robert Lang. The pipe organ played by the head of the Carthage College music department is on the three largest in the United States.

Attending as matron of honor was Mr. John (Barbara) Medel of Gurnee who has been the bride's friend since first grade.

Serving the groom as best man was long time friend Stephen Popovich of Waukegan. Ushers were John A. Lindstrom and Jeffrey A. Lindstrom, the bride's brothers.

The reception was held at the Renwood Country Club in Round Lake Beach. Following a honeymoon trip to San Francisco, the couple now resides in Antioch.

The bride has a bachelor of arts degree from Augustana College and a masters of business administration from the University of Chicago. She is employed with Bell and Howell of Chicago. The groom holds a bachelor of arts degree from Carthage College and a MAI from Webster University. He is a member of the Fraternal Order of Police and is employed with the Lake County Sheriff's Dept.

MR. AND MRS. DWAYNE NICHOLSON

Janice Gerber, daughter of W.M. Gerber of Antioch became the bride of Dwayne Nicholson of Waukegan in a candlelight wedding ceremony on May 23 at the Servicemen's Baptist Chapel in North Chicago. The groom is the son of Mr. and Mrs. Ernest Nicholson of Scottsburg, Ind.

The bride was given away by her father in the double ring ceremony performed by Rev. Joseph Howe.

In attendance as matron of honor was the bride's sister, Mrs. Carol (John) Brady of Lake Geneva, Wis. The bridesmaid was Sally Brenz, friend and college roommate of the bride from Sterling. Angela Brady, the bride's niece from Lake Geneva, Wis., was the flower girl.

Dwight Nicholson of Waukegan attended his twin brother as best man. John Brady, the bride's brother-in-law from Lake Geneva, Wis., was the groomsman. Ushers were Don Van Patten, the bride's cousin of Waukegan, and Jim McCoy, a friend, from Waukegan. The ring bearer was the bride's nephew, Matthew Brady, of Lake Geneva, Wis.

The reception was held in the church parlor following the wedding ceremony. The honeymoon trip was taken to Scottsburg, Ind., and other points in southern Indiana.

The bride, a graduate of Antioch High School and a 1977 graduate of Maranatha Baptist Bible College, is employed as an accounting clerk with Abbott Laboratories. The groom, who served the U.S. Navy for two years in the engineering department at Quaker Ind. The couple now resides in North Chicago.

Watching Caroline are from left to right, Joan Casey, Dorothy Teister and Delores Scarpelli.

## Blood pressure, immunization set

Blood Pressure, immunization session set.

The Lake County Health Department offers a variety of health care programs each week at various community sites in the county.

Blood pressure sessions for adults and immunization sessions for children are available to Lake County residents at no charge.

Blood pressure sessions will be held at the following times and places. No appointment is necessary.

In Antioch, on Wednesday, August 13, from 2 to 4 p.m. at the Antioch Public Library, 757 Main St., Antioch.

Individuals will be screened for high blood pressure and those with elevated blood pressure will be referred to a physician for medical evaluation.

Instruction for diets, medications and other aspects of controlling high blood pressure will be offered to persons referred by their physician.

The risk of stroke, heart attack and kidney failure is greatly reduced when an individual's high blood pressure is controlled.

For further information, contact the hypertension program, Lake County Health Department, at 689-6715.

An immunization session will also be held without appointment, from 9 a.m. to 11:30 a.m., on Wednesday, August 13, St. Peter's Church Hall, 557 Lake St., Antioch.

At the immunization sessions, children can be immunized against polio, diphtheria, whooping cough, tetanus DPT, measles, mumps and rubella, german measles.

Parents are asked to bring their children's past im-

munization records. If a child has an immunization letter from the school nurse, it should also be brought to the session.

For further information on the immunization program call the Lake County Health Department, communicable disease program, 689-6761.

## When I think about it Help stamp out Collectivitis, tossoutosis

by GLORIA DAVIS

Everyday we read more in the media about the latest cancer causing agent which is usually something we either drink, eat, breath, smell or touch daily.

They keep telling us that if it is smokeable, crunchable, rubable or drinkable, it's a no no.

Personally, I find no comfort in being told that almost all of the things I do daily, most of which I must continue to do to exist, especially the eating and breathing part, are rapidly leading me to an uncomfortable demise.

I wonder if they could put just a little bit of the money they use in this depressing research towards finding a cure for the two extremist diseases that my husband and I are already victims of.

My wonderful, loveable husband has congenital collectivitis, a disease peculiar in the fact that the victim suffers from the symptoms while those he is in contact with suffer the consequences.

Collectivitis is the need to fill every available space with objects big and small.

The early symptoms include the insatiable buying of items simply because they are on sale and filling every drawer, cupboard and closet with these items, still enclosed in their plastic wrappers.

The next stage in the development of this dreaded malady is the refusal to throw away all handwritten material ranging from unidentified telephone numbers jotted on the back of matchbook covers to lengthy

## Rotarians sponsor exchange students, Komer, Quinn

by GLORIA DAVIS

Two Antioch High School seniors, Chris Quinn and Beth Kromer, attended last Thursday's Rotary luncheon where they were presented with an official Rotary blazer, a piece and 12 of Antioch Rotary Club's banners to present Rotary Clubs whose meetings they will attend next year in such far off places as Japan and Brazil.

These two lucky, pretty, blond students were chosen by the Rotary Club of Antioch to be their ambassadors to Nagareyama, Japan and Sao Paulo, Brazil.

According to Wayne Parthun, chairman of the Youth Exchange Program of District 36 of Rotary International, Chris and Beth are two of the 22 northeastern Illinois students, sponsored by District 644's, 44 Rotary Clubs, who will spend the next year representing their country all over the free world.

The district will welcome 18 foreign students from such countries as France, Sweden, Philippines, Bolivia, etc. in exchange.

Although this program is a long term Rotary project, it is the fifth year that the Antioch club has participated.

The two girls were selected over 40 other applicants from the district, on the strength of their personalities, knowledge of their own and the country to which they are going, their willingness to be away from home for a

year and the fact that they both were in the upper 10 percent of their class scholastically.

The girls must pay for their round trip air fare themselves, their clothing and deposit \$200 in a savings account.

In turn the Rotary Club finds a family or families for them to stay with, pays for their room and board for the year, plus \$40 a month in spending money and also pays for any traveling the girls will do while overseas.

The girls, who are willing to forgo graduating with their class at ACHS to have a chance for this marvelous opportunity, realize that, although they will be attending school in their adopted country, they might have to lose credits when they are transferred and will have to complete their schooling when they return home next year.

Chris who is leaving from O'Hare Field for Brazil on August 15 admits, "I'm a little afraid but I am ready and really excited."

She has acquainted herself with Brazil and acquired some knowledge of the Portuguese language spoken there, though she hopes to learn more about the culture, customs and language of the Brazilian people.

Chris has a hard and busy scholastic schedule set up for herself, that includes, most of the same subjects that she would be taking at ACHS, with a 12 class curriculum awaiting her with courses in Brazilian

## Antioch Open presents challenge

If you're on a picnic check to see that there is sufficient ice left in the cooler to keep leftovers safe and cool till you get home.

The annual Antioch Open Golf Tournament will be held for the second consecutive year at Harbor Ridge Country Club in Antioch.

The dates have been set for Saturday and Sunday, Sept. 13 and 14.

The ninth hole which is a "dogleg" 390 yard par four is the "toughest" hole which the 5830 yard course has to offer, according to Tom McDonald, the golf pro.

"THERE'S A LOT of out of bounds on both sides," he said. "It's tough. It's one of the better holes in the area. It includes an elevated green and is bunkered to the back and the left."

The back nine is short and "real tight."

The first three holes are 415, 417 and 448 yards, one through three, respectively. Those three holes also present quite a challenge.

The 18th hole is another tough one as it is a par three, 220 yards.

"IT'S A GOOD spot for beginners," McDonald said. "We do offer lessons by appointment."

The club is semi-private, with memberships available and it is also open to the public.

There are pull-carts and gas-powered carts available. Banquet facilities, a swimming pool, tennis courts, and

locker rooms with showers are all available.

"WE HAVE FULL facilities," McDonald added.

Full club repair is available at the pro shop. There are watered greens and tees and the fairways are capable, however, they have not needed water that much this year, according to McDonald.

The open, which will include women this year for the first time, has been bringing a "positive reaction" thus far.

"I would like to see 40 ladies and close to 90-100 men," he said of the field. "It's been very positive so far."

For further information or to enter, call the pro shop at 395-3004.

Deadline for entries is Sept. 5.

Your Guide to Fine Dining and Excellent Entertainment

**THE Entertainer****PM&Ls 'Gigi' gets applause**

by GLORIA DAVIS

The audience that attended the opening of PM&L's summer musical last Friday, left the theater humming "Thank Heaven For Gigi."

Although the community theater's production of the popular Broadway and Hollywood musical suffered from a slight case of "opening night jitters," at the very beginning, transmitting a feeling of uncertainty, disconnection and a slight flatness, the surety and candence of the production was picked up by the leading lady, in the scene where she displays bubbling exuberance at the prospect of a visit to the seashore.

Pretty Michelle Patzke Jendek, in the title

role, has the Audrey Hepburn quality of innocence and proves her acting ability even more so as the show progresses.

The romantic lead is played by Bruce Berger, whose dark good looks certainly fit the part.

His is the best production number, when he does a fine vocal and emotional rendition of the title song "Gigi", cleverly and effectively done in front of slide projections that depict the little lady as she grows into the girl he loves.

Even though Frenchmen are traditionally excitable, Berger's performance would be even better if he would tone down his angry (Continued on Page 11)

"GIGI" FINALE — Finale of PM&L's musical "Gigi", is one of the best and biggest numbers in the show since the entire cast is on stage and spotlighted, left of center, are our reunited lovers, Gig and Gaston played by Michele Jende and Bruce Berger. — Photo by Gloria Davis

## Applauds 'Gigi'

Continued from Page 10

reactions in certain scenes since his rich vibrato tends to bounce off of PM&L's diminutive wa's when he shouts.

Personally, I see the suave Frenchman he portrays displaying quiet but firm anger.

Larry Bullman's portrayal of Honore is very natural and comfortable and it is hard to believe that he is really from Illinois and not Paris.

His comedic timing is great and so is his vocalizing of such favorites as "Thank Heaven For Little Girls," "I'm Glad I'm Not Young Anymore" and "I remember It Well."

As to be expected, Anne Marie Cina does her usual good job as Gigi's protective gran-

mother.

The surprise of the evening, and by far the most professional portrayal of all is turned in by Gloria Stewart as Aunt Alicia.

One of the best and obviously one of the most difficult numbers in the show is "The Contract," most creditably done by Stewart, Cina, Pat Bast and Don Beveroth.

Plaudits go to Rick Apostol, Tom Hausman and Debbie Jones for the bevy of beautiful costumes and applause, applause goes to Hank Apostol and his crew for the innovative and authentic two story set.

Barb Miller is the talented director and lots of enjoyment is what awaits this weekend's audience.

culture and Portuguese. Besides her duties in attending many Rotary meetings representing the American Rotary Clubs, especially Antioch's, Chris has also been commissioned by WLS's Larry Lujack to be his "Animal Stories" foreign correspondent.

Beth will leave on August 19 for Nagareyama, just east of Tokyo, to stay with the Takahashi family, whose head she met when he was visiting the states.

Both girls will be staying with more than one family during their 12 month visit.

Beth intends to spend most of her time studying Japanese culture, letting the regular scholastic courses wait till she returns.

The Japanese language, food, art, since she paints, and customs are the main classes on her school schedule.

Since they are only allowed to take two

suitcases, whose contents must last them for a full year, both girls have been very selective in their packing.

Because the main purpose of their trip is to bring, number one themselves and their own personal brand of Americanism to these foreign ports, the girls will arrive in Brazil and Japan armed with things they have chosen as samples of American life such as American crafted goods, such things as pictures of Antioch's Saw Mill and the Adler Planetarium, Snoopy and Walt Disney keepsakes, slide presentations on the U.S. and frisbees.

What little space is left in their luggage will be taken up with jeans, t-shirts and some dresses, since both will be wearing school uniforms.

After talking to these girls at length I heartily agree with Antioch Rotarians that they will make excellent representatives of American youth, so "Bon Voyage" girls, enjoy and learn!

## Stamp Out

Continued from Page 7

business briefs, plus carbons, from a position held many years ago.

Part of this disease's progression is seen in the drive to cover every flat household surface with stacks of hats, one for every occasion and all daily pocket emptyings which includes such things as restaurant sugar packets and a spare nut and bolt or two.

When every inch of every drawer and closet is full, the disease spreads to the yard and begins to cover every defenseless blade of grass with restorable antique cars, a non-running snowmobile and a canoe with a slight six inch hole in the bottom.

Thank goodness this sickness isn't terminal, it just results in the entire family's loss of living and moving around space.

Now I think my malady is a direct result of the one suffered by my better half.

In contrast, I have the uncontrollable urge to either put everything away and out of sight or to toss all stray objects within reach into the garbage can.

This one is better known as tossoutosis.

I find myself putting my husband's coffee cup directly into the dishwasher, trouble is he's still drinking it.

I tend to throw all written material away. This sometimes results in big problems when

I throw the incoming mail away before it's been opened.

I have been known to wrap the garbage in newspapers that have barely left the delivery boy's hands, naturally not an edition of the one you're reading.

My family has caught me, while in the midst of one of my attacks, transferring clothes directly from the laundry basket to the hamper in a frustrated effort to unclutter the drawers.

So you see, even though these infirmities aren't contagious, we do need help before they are victorious and either the house varitably bursts its seams because of my husband's collectitis or we all find ourselves completely possessionless because of my tossoutosis.

Maybe if Jerry Lewis has a little spare time, even an hour or two, a mini-telethon would help.

Or maybe you know of some ingratiating little cherubs that would be willing to go from door to door in quest of donations.

I'm sure one of my cupboards is full of empty cans they can use.

But on second thought, maybe that's not such a good idea since either my husband will put all the money on top of the piano, end tables etc., or I'll wrap it in tomorrow's newspaper and toss it away.

**ADULTS AND ORTHODONTICS**

Teeth-straightening braces, long associated with school-age children, are now becoming more popular with adults. The American Association of Orthodontists estimates that some 4 million Americans are undergoing orthodontic treatment. Out of this number, over 20% are over age 20.

Why are so many adults subjecting themselves to the orthodontic regimen? There are several likely explanations. The development of braces that are less noticeable; the ability of many adults to pay dental fees that their parents, perhaps, could not afford; a wider acceptance of braces by an adult generation attuned to self-improvement; concern for good health, and naturally, good looks.

Until the mid-1960's it was accepted wisdom in the field that braces were for kids. The theory was that orthodontics could be successful only if the patient was still growing. Now, it's generally agreed that, though growth is helpful, it's not always necessary for effective treatment. Today, you can produce the smile you've always wanted, as the circus announcers tout: "For kids of all ages."

## Antioch captures sectional title

Antioch's Senior Little League All Star team captured the state sectional championship by winning three games in the tournament held at Marengo.

By their win, Antioch advances to the state finals to be held at Calumet Park.

In the sectional opener for Antioch on July 28, they took an early 4-0 lead and held on for a 7-4 victory over Schiller Park.

FRANK MAHAR and Tony Evans teamed up for the win allowing three hits between them. Mahar's mound performance was "outstanding" as he gave up one hit in six innings, however, "control problems" necessitated Evans coming on.

Antioch scored two runs in the opening inning on singles by John Mahar, John Silianoff and Jerry Haling.

Another run was added in the third inning and again in the fourth when Andy Lehn, who singled, was advanced by walks to John Mahar, Tom Adams and Jerry Haling.

Carl Amundsen, who walked in the fourth inning, scored on back to back singles by Les Zitkus and John Silianoff.

THE ANTIOCH bats exploded in the top of the seventh inning with three more runs following a single by Silianoff, a walk to Andy Lehn and three consecutive singles by John Mahar, Haling and Adams.

Silianoff completed the game with three hits, John Mahar and Haling each had two a piece.

In the second game which was played on July 30, Norridge jumped out to a 2-0 lead in the top of the first

only to have Antioch come back and take the lead for good in the bottom of the inning on three runs.

Antioch won the game 4-2. CARL AMUNDSEN went the distance on the mound for Antioch as he allowed two runs on two hits. His pitching was "affected by the high winds" which caused him to allow three walks in the first inning when Norridge scored all of their runs.

After that, he allowed just one hit and received "tremendous support" from his defense to hold Norridge scoreless the remainder of the game.

In Antioch's three-run first inning, John Humphreys hit a long home run over the centerfield fence which brought in Silianoff and John Mahar with him. They had both reached base on walks.

The fourth and final run was added in the sixth inning when Adams, who singled, stole second base and scored on catcher Bill Carney's base hit.

Adams had two hits for the game.

IN THE CHAMPIONSHIP game played July 31, Antioch came from behind to defeat Norridge 5-4.

Each pitcher allowed four hits for the game, with Antioch taking a 2-0 lead after two innings and holding Norridge scoreless until the sixth inning.

Norridge's firstbaseman homered with two men on to give them a 3-2 lead.

Antioch's first two runs came in the second inning when Frank Mahar hit a home run to deep centerfield which also scored John Mahar.

## Introducing the Energy Smart House.

A home designed to conserve energy from the foundation up.

The Energy Smart House is a total approach to energy conservation developed by Commonwealth Edison and other members of the National Energy Watch.

Saving energy isn't an afterthought, it's the most important consideration today. Energy Smart builders design their homes to conform to strict energy conservation standards.

The payoff for the home buyer is a real payoff. The Energy Smart House costs less to operate. As energy costs go up, it will be worth more on resale than a home without its energy-saving features. And buying a home with these advantages built in will cost

less than upgrading a home later on.

Built to keep heat inside in winter, outside in summer.

The Energy Smart House is a comfortable world of its own that protects you from hot summers and cold winters.

The ceiling is insulated to a minimum rating of R-19, the walls to R-11. The windows are double glazed, creating a protective barrier of air. All exterior openings are

weather-stripped and caulked. Nothing goes in that shouldn't. Nothing comes out that shouldn't.

Heating and cooling by an electric heat pump produces more energy than it uses.

Most conventional furnaces make heat by burning scarce fuels. The Energy Smart House uses the electric heat pump to capture heat from the sun — heat that's already present in the outside air even on cloudy, cold winter days. Over the entire heating season, it produces at least 50% more energy than it uses.

In summer, the heat pump is an air conditioner that pumps heat out to keep you cool.

To enjoy a houseful of energy-saving features, insist on an Energy Smart House. Welcome home.

### 50 YEARS AGO: AUGUST 7, 1930

Mr. Charles Clingman celebrated his 80th birthday at his Channel Lake home where he has lived for nearly half a century. He came into international prominence in 1893 when he led the legal battle against the directors of the World's Columbian Exposition, who proposed to close the Fair on Sundays. Championing the cause of the working people who owned 10,000 shares of stock, he filed an injunction to keep the gates open and won. Mr. Clingman was born in Chicago, 1850, in a frame building at Randolph and Wells Streets. At the time of his entering High School, there was but one in Chicago. Of the 800 who took the examination to enter High School he ranked thirteenth. Mr. Clingman enjoys excellent health and expects to live to at least 100.

The State of Wisconsin has offered a reward of \$500 for the arrest and conviction of the two men who escaped after calmly cutting short the lives of Lewis Derler and his bartender, Edward G. Dennessy at Derler's roadhouse. It is believed he refused to pay tribute to slot machine syndicate representatives and installed machines of his own, and so was dealt with according to the gangsters' methods of revenge.

St. Peter's Catholic Church, new and beautiful place of worship, will be dedicated Sunday, August 10, by his Eminence George Cardinal Mundelein.

For the past month a peat bog on Grand Ave. at Cedar Lake, Lake Villa has been smoldering and burning. The ground has so cindered and powdered from the constant burning, that the ground has dropped nearly a foot and a half.

The piano students of Miss Erna McLaughlin enjoyed a delightful gathering in the form of a picnic at the Roy Pierce Farm Thursday afternoon.

All passenger Chevies are now being shipped with wire wheels as standard equipment. Disc wheels also are being built for those who prefer this type but they will be optional.

Ray Pregoner, Jr., is prepared to match his skill as an outboard motor boat racer against the former record holder, H.G. Ferguson, in the gold cup regatta at Red Bank, N.J.

The Antioch postoffice will be moved to the Masonic building room on Main St., recently vacated by the township library, if the postoffice department ap-

proves the decision of the inspector who visited Antioch last week, announced Postmaster Roy Kufalk.

Mary Herman, Betty Jean McDougall and Ruth Ann Haisma left today for Springfield to attend the state fair as representatives of Lake County in the 4-H exhibit.

Fred Hawkins, Antioch man, was among the top prize winners in the professional golf tourney at the Tam O'Shanter Country Club, placing 6th, just one position below the famous Sam Snead.

The late Raymond Pregoner of Grass Lake left most of his \$200,000 estate to his son, Louis, and his daughter, Mrs. Isabel J. Deutsch.

A roller skating club with 45 members has been organized in Antioch under the name Waa Hoo Rollers. Wally Gerber is president, Bob Kulman, vice-president; Patsy Kulman, secretary; Ann McMillen, treasurer; Ed Lindstrom, advertising chairman and Red Morton, sergeant-at-arms.

### 10 YEARS AGO: AUGUST 6, 1970

Karen Yopp of Antioch, is participating in the one-week yearbook course at Ball State University's fifth annual High School Summer Publications Workshop.

Maria Eduarda Pereira Leite, 14, of Lisbon, Portugal, is visiting her grand uncle and godfather, Jack Sampayo of Antioch. The youngster arrived on June 13 and will leave during the latter part of September to resume her schooling. Part of the visit will be spent in Florida and Canada and she will visit Ainsley Brook, daughter of Mr. and Mrs. William Brook, whom she met in Portugal last summer.

They all agree...the Antioch Country Club is the greatest and has everything...so say Stan Kenton, Woody Herman and Jack Morgan, leader of the Russ Morgan orchestra. Coming soon...Henny Youngman and later Count Basie.

### NOTICE OF PROPOSED CONSTITUTIONAL AMENDMENT

Pursuant to law public notice is hereby given that the following proposed amendment to the Illinois Constitution will be submitted on a separate blue ballot to the electors of the State of Illinois for adoption or rejection at the General Election to be held November 4, 1980.

### PROPOSED AMENDMENT TO SECTION 8 OF ARTICLE IX

(Proposed changes in the existing Constitutional provision are indicated by underscoring all new matter. The proposed amendment does not delete any existing matter.)

### ARTICLE IX

#### SECTION 8. TAX SALES

(a) Real property shall not be sold for the non-payment of taxes or special assessments without judicial proceedings.

(b) (1) The right of redemption from all sales of real estate for the non-payment of taxes or special assessments, except as provided in paragraph (2) of this subsection (b), shall exist in favor of owners and

persons interested in such real estate for not less than two years following such sales.

(2) The right of redemption from the sale for non-payment of taxes or special assessments of a parcel real estate which:

(A) is vacant non-farm real estate or (B) contains an improvement consisting of a structure or structures each of which contains 7 or more residential units or (C) is commercial or industrial property; and upon which all or a part of the general taxes for each of 5 or more years are delinquent shall exist in favor of owners and persons interested in such real estate for not less than 90 days following such sales.

(c) Owners, occupants and parties interested shall be given reasonable notice of the sale and the date of expiration of the period of redemption as the General Assembly provides by law.

### SCHEDULE

This amendment to ARTICLE IX, Section 8 of the Constitution takes effect January 1, 1981.

### FORM OF BALLOT

The proposed amendment to Article IX will appear upon the Constitution

ballot in the following form:

### PROPOSED AMENDMENT TO SECTION 8 OF ARTICLE IX

(Delinquent Tax Sale)

### EXPLANATION OF PROPOSED AMENDMENT

The proposed Amendment deals only with the problem of long-term tax delinquency on commercial, industrial, vacant non-farm, and large multi-unit residential properties. It has no effect on single-family homes, farms, or apartment buildings containing 6 or less units. The present Illinois law attempts to place long-standing tax delinquent properties back on the tax rolls after 5 or more years of non-payment of property taxes by the owner. To this end, the county treasurer conducts an auction, or "scavenger sale", at which the high bidder receives a tax sale certificate.

Following the scavenger sale, the Constitution now guarantees the delinquent owner 2 years to redeem or buy back the property. The high bidder cannot obtain title to the property until after this 2-year redemption period has elapsed.

The proposed amendment would allow the General Assembly to reduce the 2-year redemption period to no less than 90 days following the scavenger sale.

Place an X in blank opposite "YES" or "NO" to indicate your choice.

YES	For the proposed Amendment to Section 8 of Article IX of the Constitution to authorize the General Assembly to reduce the redemption period following certain tax sales which occur after property taxes have not been paid for (5) years.

Get a WXLC bumper sticker — put it on the rear, near your license plate — and listen for your chance to win! We have our entire staff searching for license numbers! When we broadcast *YOUR* license number, you'll have 102.3 minutes to call our contest lines to claim your prize! Listen every day for new prizes and *YOUR* chance to win! Besides, we think you'll like your new station, anyway! (We're the one creating all the "Radio Station Commotion") Tune us in now—We're on 24 hours—We hope you LOVE it!
